Wellness & Anti-Aging Case Series

1. Mother & Daughter

- Mother: Previously frail, frequent illness, once nearly died from electrolyte imbalance. After cell wellness, regained strength, youthful vitality, able to live independently.
- Daughter: Frequent colds, dizziness, insomnia, and fatigue. After 10 years of cell wellness, all symptoms disappeared; looks more youthful than 10 years prior.

2. Female, 68, Businesswoman

- Severe asthma not responding to other treatments.
- After stem cell wellness → completely cured.
- Additional rejuvenation: youthful appearance, black hair regrowth, even axillary hair, menstruation extended until age 61.
- Continues wellness into her 70s.

3. Female, 60

- Menopause at 46.
- After 8 years of anti-aging care → menstruation resumed, still normal at 54.

4. Anonymous Case

- Reported significant improvement in energy, vitality, and overall health.
- Fatigue disappeared, felt like a new person.

5. Male, 61, Businessman

- Busy schedules, frequent travel, heavy social engagements.
- Annual cell wellness for 15 years.
- Reported: high efficiency, no fatigue despite stress, youthful vitality preserved.
- At 61, Mr. Wu still maintained energy of a man in his 40s.
- Encouraged siblings to undergo treatment (5 out of 7 brothers did).

6. Male, 64

- Heavy post-retirement social and business workload → exhaustion, lack of energy.
- After wellness therapy → vitality restored to youthful levels.
- Despite day-and-night work, no longer fatigued.

7. Male, 86, Taiwanese International Tennis Referee

- Lifelong tennis player. At 83, could no longer sustain activity, breathless after 10 minutes.
- After wellness → stamina fully restored, back to 4–5 hours of tennis daily.
- Brought wife for treatment as well.

8. Male, 95, Wife 93

- Daughter in Hong Kong gifts them 1–2 wellness treatments annually for 10+ years.
- Results: physically and mentally strong, no significant illnesses, independent daily living, clear mind.
- Daughter: “Parents’ health is the greatest blessing for children.”

9. Male, Centenarian

- Over 100 years old.
- With cell wellness, continues to enjoy stable health, independence, and vitality.
- Living proof of healthy longevity.
